Third party terms and conditions

Convergint is not the manufacturer or developer ("**OEM**") of products ("**Third Party Products**") delivered or serviced by Convergint, which may be subject to separate OEM terms and conditions ("**Third-Party Terms**"). To the extent applicable, these Third-Party Terms are binding on Convergint's customers as a condition of use.

Convergint is not a party to the Third-Party Terms — they are strictly between Convergint's customers and applicable OEMs. Convergint cannot modify, amend, or waive any Third-Party Terms.

Certain Third-Party Terms are provided below. Others may be provided by Convergint or directly by the OEM.

No Merger of Responsibilities

The parties agree that obligations, warranties, liabilities, and remedies applicable to Third-Party Products do **not** apply to Convergint Deliverables, and obligations, warranties, liabilities, and remedies applicable to Convergint Deliverables do **not** apply to Third-Party Products. Each category of offering is governed exclusively by the terms applicable to that category.
