

Beyond Physical Security Technology - Campus Insights

Join us on **Wednesday, March 2nd, from 11:00am - 12:30pm** as Convergent shares their past and current experience, business and security intelligence, and best practices from working with over 100 Universities and Colleges in the United States.

Sessions will include:

- **Security Master Planning:** It is not the unplanned incident – it is the preparedness, response, recovery, and mitigation of the incident.
- **The Security of Security:** Each access control and surveillance device could potentially impact a threat or network breach.
- **Force Multiplication:** Campus Police and Security Chiefs, along with Campus Emergency Management Directors, continuously search for creative ways to do more with less.

Our expert panelists will include:

Stephen Fisher
*Business Development Manager, West
State, Local, Education and Defense*

Brian Lipscomb, PSP
Director, Cybersecurity Services Team
