

A culture of **safety**

Convergint is committed to providing the **tools, training, and programs** to ensure all projects and service calls are completed without incidents or injuries. Convergint strives to increase safety awareness between all colleagues.

To support this culture of safety, Convergint has a dedicated **Safety Coordinator** in each office as well as a **Safety Champion** in each region, working under the direction of the Director of Safety, National Safety Manager, and National Safety Coordinator. Convergint's ongoing dedication to workplace health and safety is supported by programs to help educate colleagues and maintain an **injury-free environment**.

Safely making a daily difference

✔ **Project-specific safety plans**

✔ **Health and safety programs**

✔ **Health program resources**

✔ **Regular safety meetings**
