

## Convergint value

---

Convergint's **project management office (PMO)** is a dedicated group that supports the processes required to successfully deploy projects on time and within budget, while maintaining standards and regulations. With specialized project resources for a variety of solutions, Convergint's expertise, customization, and **support** ensures unique business requirements will be understood and implemented.

Using a collaborative, scalable approach, Convergint's project management experts provide scoping, planning, scheduling, and risk management of projects for successful execution. With **unparalleled local service** and a global reach, Convergint aligns organizational safety objectives for any industry.

## Convergint services

---

- 
- A photograph showing a group of people in a meeting. They are gathered around a wooden table covered with various documents, charts, and sticky notes. One person is pointing at a chart on a document. A laptop is open on the table to the left, and a calculator is visible on the right. The scene is brightly lit, suggesting an office environment.
