

Reduce cost, simplify procurement,
and **ensure compliance** with the
Arkansas statewide contract

Convergint value

Convergint offers cost-effective security solutions through the State of Arkansas cooperative purchasing contract **#4600051403**. Leveraging this **pre-negotiated** contract allows customers to save time and money while ensuring **full compliance** with local, state, and federal procurement laws and guidelines.

Convergint's dedicated Arkansas-based experts have deep understanding of government guidelines, and provide a tiered approach to **ensuring a best fit security solution** for state government, city & local government, primary education systems, higher education systems, non-profit agencies, public agencies, and airports.
