

Accelerate your career with Convergint's Military Transition Program

Convergint's Military Transition Program

Are you looking to transition your career after the military? Join one of the **fastest-growing** security organizations in the world that aligns with your core values. Convergint is committed to giving back to our communities, and one of those ways is by hiring veterans. We greatly appreciate all you have done to **serve our nation** and welcome your talent here at Convergint to help us in our mission to be our customers' best service provider.

Convergint offers **extensive training programs** spanning from technicians, sales, project managers, and senior leadership, just to name a few. With new and advanced cyber threats, the acceleration of digital transformation, and the fourth industrial revolution ahead, now is the perfect time to join the rapidly changing and expanding **security industry**.
