

TERMS & CONDITIONS OF PURCHASE

The terms and conditions of this document ("General Conditions") along with the provisions on the face of any Purchase Order in which it is referenced, hyperlinked, or to which it is attached ("Specific Conditions") (together with the General Conditions, the "Contract"), govern the parties' duties, obligations and relationship with respect to the sale by the vendor described on the face of the Purchase Order ("Vendor") and the purchase, acceptance and use by Convergent Technologies LLC ("Convergent") of the goods and/or services (collectively, "Products") described on the face of the Purchase Order. In the event of any inconsistency between the General Conditions and the Specific Conditions, the Specific Conditions shall override or supplement (as applicable) the Purchase Order to the extent of the inconsistency. For any purchase orders issued for the purpose of obtaining Products for subsequent resale, "Customer" means the entity with whom Convergent has contracted for receipt of the Products provided by Vendor. Convergent and Vendor shall be individually referred to as "Party" and collectively referred to as "Parties."

1. **Scope of Agreement.** Notwithstanding anything to the contrary in this Contract, this Contract shall be superseded by a fully executed, binding written agreement between the Parties that is active and in force on the date of the Purchase Order covering the Products listed on the Purchase Order; in such, cases the terms and conditions of such written agreement shall take precedence and this Contract shall not apply. Otherwise, this Contract constitutes the entire agreement between the Parties and may only be amended by written agreement signed by Vendor and Convergent's authorized representatives. Any terms or conditions set forth in or incorporated by reference in any of Vendor's proposals, price sheets, invoices, confirmations, or other documents are not incorporated into this Purchase Order, and Convergent specifically rejects such terms and conditions.
2. **Acceptance.** Vendor shall be deemed to have made an unqualified acceptance of this Contract on the earliest of the following to occur: (a) Convergent's receipt of a copy of this Contract (or any document in which this is referenced, hyperlinked, or to which it is attached) signed or otherwise accepted by Vendor, (b) Vendor's affirmative acknowledgment of this Contract or Purchase Order, (c) Vendor's commencement of manufacture or delivery of the Products, (d) Vendor's acceptance of any payment from Convergent, (e) Vendor's failure to object to these terms and conditions within ten days of receipt of this Contract (or any document in which this is referenced, hyperlinked, or to which it is attached) or (f) any other event constituting acceptance under applicable law.
3. **General Conditions.** Vendor shall obtain, fabricate, manufacture, or provision the Products according to the terms herein. Vendor shall supply the Products in accordance with this Contract and at all times act diligently, prudently, honestly, faithfully and in the best interest of Convergent and (if applicable) Convergent's Customers.
4. **Reseller.** Where contemplated by the Parties, Convergent may issue Purchase Orders in its capacity as a reseller or distributor of the Products. In such event, Vendor authorizes Convergent to resell the Products to Customers and grants Convergent a nonexclusive, nontransferable, nonassignable right and license to market, distribute and sell the Products to Customers. Convergent acknowledges and agrees that the rights granted hereunder to market, distribute and sell Products are limited solely to those Products identified in the Purchase Order (and any subsequent versions or releases of those Products) and shall not apply to any other products. Nothing contained herein shall restrict Convergent from having the right to obtain or retain the rights to resell any other products, including products that are similar to or may compete with the Products.
5. **Timing.** Time is of the essence for performance of all obligations of this Contract. If delivery of acceptable Products is not completed by the time specified by Convergent, then Convergent reserves the right, without liability, in addition to its other rights and remedies, to terminate all or any part of this Contract including the applicable Purchase Order by notice effective when received by Vendor and to purchase substitute Products elsewhere and charge Vendor with any loss incurred. Convergent may delay delivery or acceptance of Products in the event of conditions beyond the reasonable control of Convergent, including, without limitation, acts of or order of any government or agency or official thereof or failure of the government to act where such action is required, pandemic or epidemic, diseases, quarantines, unavoidable casualties, acts of any civil or military authority, riot, insurrections and civil disturbances, war, strikes, lockouts or other labor disputes, fire or unusually severe weather, other catastrophes or any other similar occurrences beyond Convergent's reasonable control. Vendor shall hold the Products pending Convergent's direction and Convergent shall be liable only for direct and reasonable increased costs incurred by Vendor by reason of Convergent's instructions.
6. **Delivery.** Seller shall deliver the Products F.O.B. Destination. Unless otherwise specified, Vendor shall pay all shipping and delivery costs. Vendor shall pack, mark and ship Products in accordance with Convergent's specifications, so as to prevent damage or deterioration, and in compliance with all applicable packaging laws. Vendor shall include with each shipment such documents as Convergent may require from time to time, including, without limitation, a packing slip showing Convergent's purchase order number, item numbers and sufficient other particulars to identify the Products, certificates of analysis and a Bill of Lading showing quantities delivered by lot number (collectively, the "Delivery Documents"). Convergent's count shall be accepted as final on all shipments not accompanied by packing lists. Convergent will not pay any charges for any containers, packaging, boxing, crating, marking, delivery, transportation, storage or other charges unless otherwise specified herein, and Vendor will pay all premium freight costs over normal freight costs if Vendor needs to use an expedited shipping method to meet delivery dates due to its own acts or omissions. Convergent shall have the right at any time to specify the carrier and/or the method of transportation to be employed in conveying the Products, upon proper adjustment being made to cover any difference in transportation cost agreed upon herein. Deliveries are to be made only in quantities and at times specified in schedules furnished by Convergent. Convergent may from time to time change delivery schedules. Time is of the essence with respect to delivery of Products. Vendor shall immediately notify Convergent of any actual or potential delivery delays. Title to and risk of loss of Products shall remain with Seller until delivery to the F.O.B point.
7. **Invoicing and Payment.** Vendor shall submit invoices in accordance with the instructions indicated in the Specific Conditions. If not so specified, Vendor shall submit its invoice after the Products have been received and accepted. Sixty (60) days following receipt of correct invoice from Vendor, Convergent shall pay Vendor the amount due. Payment to Vendor shall not constitute acceptance of Products.
8. **Cancellations/Returns:** Convergent may, in its sole discretion, on written notice to Vendor, without liability or penalty, terminate any order, in whole or in part, prior to the delivery or provisioning of the Products with or without cause. Convergent may return for a full refund Products purchased under this Contract to Vendor for any or no reason; provided that: (a) Convergent returns the Products undamaged within 30 business days of receipt; and (b) returns are made at Convergent's expense and risk of loss. Refunds shall be promptly issued using the same method used for payment. Vendor shall pay all applicable taxes, all transportation charges, both ways on rejected items. In the event delivery and/or quantity of any items is not in accordance with the Purchase Order, Convergent shall have the right to cancel the Purchase Order, in whole or in part, by written notice thereof to Vendor.
9. **Inspection and Acceptance.** Convergent and the Customer shall have the right to inspect the Products prior to acceptance. Notwithstanding inspection, test or acceptance, should any items be found not compliant as to delivery, quality and/or quantity, Convergent may, as it sees fit, use such portion or said items that are in accordance with the order, or are urgently required, without notice to Vendor, and such use shall not be deemed an acceptance of the whole, as to delivery, quality and/or quantity, and shall not prejudice Convergent's right to reject that portion of said Products that are not compliant, or to recover back from Vendor any amount already paid for such Products.
10. **Pricing.** All pricing is firm. Convergent shall not be billed at prices higher than stated on the Purchase Order unless authorized by an amendment issued and executed by Convergent. The price and all unit prices shown in the Purchase Order shall be deemed to include all costs of and compensation for Vendor's performance hereunder. Vendor represents that the price charged for the Products covered by this Purchase Order is the lowest price charged by Vendor to buyers of a class similar to Buyer under conditions similar to those specified in this Purchase Order and that prices comply with applicable government regulations in effect at time of quotation, sale or delivery. Vendor agrees that any price reduction made in Products of the type covered by this Purchase Order subsequent to the placement of this Purchase Order will be applicable to this Purchase Order. If prices in effect on the date of this Purchase Order are reduced prior to date of shipment or billing, the Products subject to this Purchase Order shall be billed at such lower price. Except as otherwise provided in this Purchase Order, the agreed price of this Purchase Order is not subject to increase for any reason whatsoever, including without limitation, changes in the cost of any Products to be furnished and/or installed hereunder or increases in wages.
11. **Security Interest.** Convergent hereby grants Vendor a security interest in all Products sold by Vendor to Convergent until Convergent has paid Vendor in full for such Products, but only for amounts which are due and outstanding under the Purchase Order, and only to the extent such Products have not been installed for and/or transferred to Customers.
12. **Warranty. A. Product Warranties.** Vendor warrants to Convergent that for a period of 1 year from the acceptance of the Product by any Customer (the "Warranty Period"): (a) the Product is free from defects in material and workmanship and fit and safe for use consistent with applicable product documentation and specifications; (b) the Product will conform to and perform substantially to the applicable product documentation and specifications; (c) the Product is free from defects in design; (d) the Product will comply with all applicable laws, rules, and regulations; and (e) Convergent and its Customers will receive the Products, free and clear of all encumbrances; and (f) the Products are new and do not contain used or reconditioned parts. To the extent the Products include software, Vendor further warrants that for the Warranty Period: (g) the Products contain no Harmful Code; and (h) Vendor has not incorporated open source materials into the Products in such a way that creates obligations for Vendor or End Users to grant, or purport to grant, any rights with respect to the Products or associated software or systems. "Harmful Code" means vulnerabilities, viruses, worms, time bombs, key-locks, Trojan horses and other malicious code, files, scripts, agents or programs that could disrupt or interfere with the operation of the Products or equipment or networks upon which the Products operate. **B. Services Warranties.** If applicable, professional services or support services shall be performed in a good, timely and workmanlike manner using personnel of required skill, experience, and qualifications in conformity with industry standards and, if applicable, agreed-upon service level agreements; and for professional services, if applicable, for the duration of the Warranty Period. During the applicable Warranty Period, if Products do not comply with the warranties in this Contract, in addition to other remedies available at law or in this Contract, Vendor shall: (a) remedy any non-conformance in order to bring the Product into conformance; (b) repair or replace such Products; or (c) render a refund plus any inspection, test, and transportation charges paid by Convergent. For hardware Products, Convergent shall ship, at Vendor's expense and risk of loss, such Products to Vendor and Vendor will, at Vendor's expense and risk of loss, return any repaired or replaced Product to a location designated by Convergent in a timely manner. If services do not comply with the warranties in this Contract, in addition to other remedies available at law or in this Contract, Vendor shall promptly reperform the services or otherwise remedy any non-conformance with the services. Vendor shall Indemnify Convergent from all Losses arising out of Vendor's failure to remedy a breach of warranty in a timely manner.
13. **Consequential Damages.** TO THE EXTENT PERMITTED BY LAW, EXCEPT FOR LIABILITY FOR INDEMNIFICATION, LIABILITY FOR BREACH OF CONFIDENTIALITY, OR LIABILITY FOR INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY RIGHTS, NEITHER PARTY NOR ANY OF ITS RESPECTIVE REPRESENTATIVES SHALL BE LIABLE TO ANY PARTY TO THIS CONTRACT FOR CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES, INCLUDING LOST REVENUES, LOSS OF PROFITS OR OTHER COMMERCIAL OR ECONOMIC LOSS ARISING OUT OF THE PERFORMANCE OF THIS CONTRACT, WHETHER OR NOT THE POSSIBILITY OF SUCH DAMAGES HAS BEEN DISCLOSED IN ADVANCE OR COULD HAVE BEEN REASONABLY FORESEEN. THE LIMITATION SET FORTH IN THIS SECTION SHALL APPLY WHETHER THE CLAIM IS BASED ON CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE) OR OTHER LEGAL THEORY AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE.
14. **Indemnity.** To the maximum extent permitted by applicable law, Vendor shall indemnify, defend, and hold harmless (hereinafter, "Indemnify") Convergent (including but not limited to Convergent's owners, officers, directors, and employees) and its affiliates, end users, successors, and permitted assigns (collectively, "Indemnified Party") from and against any and all losses, damages, liabilities, obligations, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind, including but not limited to all direct or consequential compensatory or punitive damages, reasonable attorneys' fees, costs, expenses, and the costs of enforcing any right to indemnification under this Contract (collectively, "Losses"), whether based on tort, contract, warranty, or any other theories of recovery, relating to, arising out of, or resulting from: (a) breach under this Contract by Vendor; (b) any negligent or more culpable act or omission of Vendor (including any gross negligence, recklessness, or willful misconduct) in connection with the performance of Vendor's obligations under this Contract or the Product; (c) any Product malfunction of any defective Products; (d) Vendor's misrepresentation of the product's functions, features, or capabilities; (e) information data security or privacy incidents, harms, or damages caused by Vendor; (f) any bodily injury, death of any

This indemnification shall not apply to the extent the infringement is due to any special designs provided by Convergent, or changes, modifications, or unique uses by Convergent. Convergent agrees upon receiving a request from Vendor after being put on notice of such claims, to allow Vendor to defend or settle any suit or controversy and Vendor agrees to satisfy any judgment or settlement of such claims. If a court prohibits future use of any Products because of an infringement, then Vendor shall have the option to procure the rights to use said Products for Convergent from the complaining party, or replace said Products with non-infringing Products, or to refund the purchase price of said Products to Convergent.
16. **Data Privacy.** If Convergent is purchasing Products in its capacity as a reseller or distributor of the Products and sells such products to a Customer, and to the extent Customer personal data is processed by Vendor's Products or by Vendor, Vendor agrees and acknowledges that Customer is the data controller and that Vendor (and not Convergent) shall be considered the data processor of such Customer personal data. All provisions naturally and reasonably providing rights to the parties subsequent to termination or expiration of this Purchase Order shall survive such termination or expiration. If termination is due to Vendor's default or breach of any condition hereof, including, without limitation, breach of warranty or by Vendor's delay, except delay due to causes beyond Vendor's control and without Vendor's fault or negligence, Convergent shall not be liable to Vendor for any amounts, and Vendor shall be liable for, and shall indemnify Convergent for any damages arising out of or resulting from, Vendor's breach or default. If it is determined that Convergent improperly terminated this Purchase Order by breach or default, such termination shall be deemed to be for Convergent's convenience.
